It was a trip I'll never forget. Me, my mum and dad had gone to the nature. The weather was sunny but it wasn't too warm because it was October so my father was wearing a fashionable hoody, jeans, hat and trainers. My mum always feels cold and she was wearing warm clothes: jeans, T-shirt, jumper and a scarf. I was wearing a sweatshirt, jeans, scarf and warm trainers.

So when we came to the best place that my parents had chosen, my father told us: "This place is so beautiful and this day promises to be good!". We sat on the fallen tree and started talking and enjoying the nature. After that we did the challenging in running and jumping. After 30 minutes of playing mum said: "Guys, we need to eat a little." We took with us some food: sandwiches and fruits. We were eating in our car. Our car was very comfortable and big, we really liked to go to a trip by our car.

But at the end of our trip we heard some strange sounds and we really confused by it but it didn't make our trip worse.

Me and my parents loved this trip because every time when we are together is the best!
