MP

It was a trip that I will never forget. ~~Why? Here are the reasons~~ why. Once upon a time our family that consists of three people: me, my momma and dad went to a challenging adventure. My mom who is a home person, that is why my father and I decided to go somewhere where is quiet and ~~is~~ relaxing. As you assume, he is really into every kind of sport no matter how bizarre and bewildering it actually is. „Let's go to a little trip. It will be fun!” - said dad. But my momma refused saying: „Oh, come on! It is too cold outside for any activities.” However, my father whose name is Mergen did not give up so easily. Later, he managed to change his mind. So, our whole family was ready for it, but we had no idea what was coming.

We arrived ~~at seven p.m.~~ It was getting dark, but ~~we~~ ^{Mergen} have already set our tent. So, our family ~~was~~ ^{fell} falling asleep because of all ^{the} hard work that we have done.

Suddenly, our tent started shaking. I was so confused. Then, I got out of sleeping bag and saw a shadow of a big animal bear. „Parents, get up! There is an animal out there. We have to do something!” - I screamed. So But my father and momma were so tired that they couldn't get up. Nevertheless, I figured it out how to make that bear leave. There ~~was~~ ^{were} people near by, so I can get help from them. ~~But~~ ^{Despite} however, that animal was really ignorant, I managed to get there.

This whole trip was scary, but ~~it~~ our family made it.
