It was a trip I'll never forget. Once I and my ~~family~~ ^{parents} decided to have a picnic outside in place called "The Wonderful Field". We were preparing everything for this when mum suddenly saw some huge grey clouds in the sky. She was confused because of it. "Never mind! The clouds are nothing, and I promise it will be a nice picnic!" - said dad. Sooner we were in the trip.

We reached "The Wonderful Field" in half an hour. The view was really amazing! There was a huge area, full of green grass, bright flowers, small creatures such as mice, dragon flies and other. After we had ~~look~~, my parents started making small camp. All had been so excited and happy until the weather changed. Wind started blowing and we expected that it would rain. Mum looked upset. I tried to cheer her up. For a while smile appeared on her face and she said: "You want to have a picnic? Let's do it!" After this the work continued. Dad set small black tent and mum made table from short logs. We all knew we were challenging our skills. Also we decided to play some games. It was so much funny so I remember this moment! My mum was sitting on a log, smiling and looking at me while dad was holding and entertaining me.

Now I want this day to be endless! I understood that happiness of all people consists of activity and attention to everyone.
