It was a trip I'll never forget. I was sitting on a park bench when mommy phoned me and said: "Get ready for a picnic. We will catch you in an hour". You know, I'm not an outgoing person so these words made me really confused. Nevertheless, me, my sister and our parents were on the way to the lake two hours later. The most challenging part began when our car ran out of petrol. "The end. There are no chances to survive in this bewildering area" - I thought. A minute later, my sister ~~was~~ opened the door and ran away from the car. We called her back but she was ignorant. Then, everybody escaped from the car and went for her. How surprised we felt when we found her smiling and kissing tiny creatures - mice. I took this photo in order to save this interesting and funny moment. On this picture you can see my sister sitting on the ground and showing one of the mice to mom. Sister is wearing long sleeves and scarf. Also, she is wearing jeans as my mom do. In addition, the weather wasn't cold but my mom ~~was~~ ~~is~~ is wearing something on her back as I was trippy. Mom ~~was~~ is a blonde as you can see from the picture. Coming back to the story, we were really tired of the road. However, you don't know how many smiles bring these mice to us! They are bizarre.
